Internship - Research Associate

Big Tree Capital Partners, LLC - Toronto, ON

Internship

The internship will provide an opportunity for the successful candidate to participate in the search and acquisition of a privately held company. They will assist and receive mentorship from seasoned professionals who are backed by experienced and prominent investors. The duration of the internship will be a 4 month term beginning immediately and is an unpaid position.

The intern will have the opportunity to learn and develop the following skills:

- Data collection and industry analysis
- Search, collect, consolidate, and interpret company and industry data
- Research report writing on companies and industry

Qualifications

- Highly motivated with a strong interest in finance
- Strong oral and written communication skills
- Proactive and willing to take on responsibility
- Detail oriented with a high standard of quality; results driven
- A team player with ability to listen interactively; respectful of others and tolerant
- Ability to work and deliver in an independent work atmosphere
- Knowledge and experience with Microsoft Office, database management and the internet
- MBA preferred
